

ULTRA RUN

MANDATORY GEAR CHECKLIST

All competitors must carry the following mandatory gear at all times during race day. No mandatory gear = no start!

Teams - Please note you only need one set of items in italics below per team. All other items must be carried by both team members.

Solo - All items are compulsory for Solo competitors.

- Topo Maps & Map Case** – *Topo50 map CB11 & CB12 (case can be a ziplock)*
- Compass** – *Can be a smartphone app (Macpac Option)*
- First Aid Kit**: Your first aid kit must include the following:
 - 5m x 2cm strapping tape*
 - 15m x 5cm crepe bandage*
 - Triangular bandage*
 - 10 Plasters*
 - 5 x 75mm x 75mm gauze swabs*
 - Pocket knife or small scissors*
- Personal Locator Beacon** – *one PLB will be provided to each team and solo competitor at registration. You will be required to sign a waiver for it and carry it, even if you have your own.*
- Bad Weather Exit Routes** - These are available on the event website and will be printed on the reverse of your race number to be collected at registration.
- Base Layer for Torso** – A technical t-shirt made of quick-drying fabric such as wool or polypropylene. We do not recommend cotton fabrics.
Men's Macpac Option: Women's Macpac Option:
- Thermal Layers for Torso & Legs** – A long sleeved top and leggings made from quick-drying thermal fabric such as Merino or polypropylene. Cotton, Coolmax, Lycra and Compression garments are not acceptable.
